In 2016, the Art of Living celebrates 35 years of service to humanity. To commemorate this momentous occasion, the World Culture Festival is being organized on the 11th, 12th and 13th of March 2016 in New Delhi, India.

Founded by Sri Sri Ravi Shankar, the Art of Living with a presence in 155 countries across the globe is engaged in diverse humanitarian and service activities.

True to its motto of a One World Family (Vasudhaiva Kuttumbakam) and of making Life a Celebration, a series of events is being planned to bring together people of talent, eminence and repute.

Over 3.5 million people are expected to congregate at the Festival. A unique platform will be created for spiritual and religious leaders, politicians, peacemakers and artists to spread the message of global peace and harmony in diversity.

Showcasing the rich cultural traditions of dance, music and the arts from around the world as well as Yoga, the Festival hopes to foster a deeper understanding between people of different faiths, nationalities and backgrounds.
