These programs have helped millions around the world to overcome stress, depression and violent tendencies.

Art of Living Yoga

The Art of Living Yoga is holistic way of life that integrates all elements of the ancient knowledge of yoga, for a prayerful discipline uniting the body, mind and soul. Along with the series of simple yet effective yoga postures and breathing techniques, great emphasis is placed on the inner experience of meditation for the wellbeing of the mind and other hidden elements of human existence.

We believe when one is in harmony within, the journey through life becomes calmer, happier and more fulfilled. In a mere 34 years, Art of Living programs and initiatives have touched the lives of over 370 million people in 155 countries.

SUN NEVER SETS ON YOGA

Around the World with the Sun on a Yoga mat

“THE SUN NEVER SETS ON YOGA”

Around the World with the Sun on a Yoga mat

‘The Sun Never Sets on Yoga’ was a unique campaign that depicted the timelessness of yoga. Just like the Sun, Yoga is age-old and yet ever-new, spreading light and hope. With this unique effort, we had the whole world wake up to the power of yoga...literally!

The 1st International Day of Yoga was to be celebrated on June 21, 2015. This campaign was organized few days in advance on June 13, 2015 to enthuse and encourage people to join the main event on June 21, giving them a glimpse of how Yoga is a universal practice that is fun, easy-to-do and beneficial for everyone.

We moved with the first rays of the sun all around the earth and made a complete circle starting in one city and ending with another sunrise-24 hours later. We had people in each time zone doing Surya Namaskar at the time of sunrise. Volunteers rose with the sun and rolled out their mats in front of historic locations / national monuments to practice yoga on 13 June, 2015.

Participation: Volunteers from **88** cities spread across **5** continents.
